

Christmas Party at Evelina London Children's Party

Just before Christmas we hosted a party at the Evelina London Children's Hospital. Santa made a surprise visit greeting children and their families at the bedside. We provided a superhero photo booth and children could also design their own superhero photo frame to take home plus Christmas arts & crafts. AND children's entertainer Mr Marvel did a 2 hour magic show - he even had a live rabbit! We hope the afternoon was a welcome distraction and thank everyone for joining us.

We'd like to thank [#Waterloocafe](#) for donating sandwiches, @GAILs.Bakery for supplying cakes, pastries & fruit, Free cakes for kids for their amazing cupcakes, and also @ConsideredCreative for donating towards this event.

Thanks also to all the volunteers and staff who helped make this party happen.
