

Celebrate Children's Heart Month with us this February

Celebrate Children's Heart Month with ECHO this February by hosting your own [Super Social!](#)

This year to celebrate Children's Heart Month we're hosting our first ever [Valentine's Super Social at Evelina London Children's Hospital](#) and we want you to join in by hosting your own Super Social in February!

We want as many ECHO members as possible to join with us and host their own special Super Social events during Children's Heart Month - all to raise money to help ECHO continue supporting children with heart conditions and their families.

Hosting your own [Super Social](#) means you can throw *your* kind of party whenever you like - at home, school, club or workplace. All you need to do is decide when and where and invite friends, family or colleagues along to raise money for ECHO whilst enjoying some delicious nibbles!

The options are endless - you can create sweet treats for a coffee morning or bake sale, get to grips with home made pizza, cook a mean curry, or add a bit of sophistication with afternoon tea or a cheese & wine night.

The choice is yours!

Simply raise money by asking people for a donation to take part, and you can also add to the festivities with raffles, games, quizzes or competitions.

Really, there's no excuse not to, who doesn't like to party!

To take part simply contact [Emma](#) and [register your event](#) and get ready to join the celebrations!

We'd also love for you to share your Super Social photos with us [#ECHOSuperSocial](#)
