

Will you become a Secret Santa for children in hospital this Christmas?

At ECHO we are feeling festive and there is a very special Secret Santa Club which we would love to invite you to join!

The festive period can be particularly challenging for children and young people staying in hospital while they undergo surgery, treatment and care. They are away from their homes, loved ones and their usual festive traditions.

At ECHO we want to bring fun, creativity and joy to children in hospital this season - By donating to ECHO this Christmas you can be a Secret Santa and give fun and laughter to children with congenital heart disease who are facing spending the festive season in hospital.

From mid-November through to the end of December, your donations will help ECHO to bring a magical Christmas grotto to Evelina London Children's Hospital, provide treats and gifts for children, host fun festive games and activities and give packs of goodies for parents, giving children a magical Christmas to remember during a difficult time for them and their family.
