

# Will you become a Secret Santa for children in hospital this Christmas?

## **At ECHO we are feeling festive and there is a very special Secret Santa Club which we would love to invite you to join!**

The festive period can be particularly challenging for children and young people staying in hospital while they undergo surgery, treatment and care. They are away from their homes, loved ones and their usual festive traditions.

At ECHO we want to bring fun, creativity and joy to children in hospital this season - By donating to ECHO this Christmas you can be a Secret Santa and give fun and laughter to children with congenital heart disease who are facing spending the festive season in hospital.

Your donations will help ECHO to bring a magical Christmas to the Evelina London, with ECHO elves handing out presents to children on the wards, hosting a Christmas themed tea trolley, and bringing joy and laughter to the hospital, during what is often a difficult time for children and their families.
