

# Paediatric Cardiology Virtual Online Parents' Group

- ***Would you like to know more about supporting your child with their emotions and behaviour and helping them to cope with their heart condition and treatment?***
- ***Would you like to meet other parents who have had similar experiences?***

ECHO together with the Evelina London Paediatric Cardiology Team are running a group for parents of children with a heart condition. The group aims to provide a space for parents to share experiences and ideas with one another around supporting their child and family's emotional well-being.

The following topics will be covered:

- Monday 13th January 2025: [Supporting your Child to Prepare for and Cope with Hospital Visits](#)
- Monday 10th March 2025: [Supporting Your Child with Their Emotions](#)
- Monday 12th May 2025: [Talking to Children About Their Heart Condition/Treatment](#)
- Monday 14th July 2025: [Promoting Positive Behaviour](#)
- Monday 8th September 2025: [Supporting Siblings](#)
- Monday 10th November 2025: [Parental Well-Being](#)
- Monday 12th January 2026: [Managing the Transition to Young Adulthood and Adult Services](#)

If you would like to come along, please complete the referral form.

We hope you will find the group helpful and very much look forward to seeing you there.
