

Room hire at the ECHO office

We have two spaces available for hire at our Central London office, located next to St Thomas' Hospital on the River Thames.

The Joseph Suite consists of two vibrant, versatile rooms perfect for meetings, gatherings, training & group sessions. Both rooms are available for either full days (9am-5pm), half days (9am-1pm/2pm-5pm) or on an hourly basis, to companies, charities & groups.

Our central London location offers superb transport links, we are a short walk from Waterloo, Westminster and Lambeth North stations.

All proceeds from room hire will be used to help ECHO deliver its services to support children with heart conditions and their families.
