

Amazon Smile - Donate whilst shopping at no extra cost!

Did you know that you can support ECHO whilst internet shopping?

If you shop using 'Amazon Smile', a website operated by Amazon with the same products and prices, then 0.5% of what you spend will be donated to ECHO - at no extra cost to you.

1. Simply go to [Amazon Smile](#) and login to your regular Amazon account.
2. Choose "Evelina Children's Heart Organisation Ltd" as your selected charity.
3. Save it as an 'app' on your home screen- tap the 'share' button on the bottom of the screen.
4. Tap the 'Add to Home Screen' icon. You will now **have** an **Amazon Smile** icon on your home screen which you can use in exactly the same way you used the **Amazon App**.
5. Shop as usual! A donation will be made to us at no extra cost to you.
