Raise money by selling unwanted items

There are also lots of ways you can raise money for ECHO by selling unwanted goods:

Climb up into the attic and have a good sort out, you might be surprised to find lots of things you don't need or want any more that you could sell to raise money.

- Have a garage or jumble sale
- See goods on ebay or similar online seller
- Sell goods via a community social media selling site

Next time you sell something on eBay, why not nominate ECHO to receive some of the proceeds? It's easy to do. Simply choose ECHO from the list of charities when you add a new item, then decide what percentage of your final selling price you'd like to give to ECHO.
