

## Giving in memory

# Donating at funeral services/Fundraising in memory

One way to celebrate the life of a loved one is to ask family and friends to make a donation at their funeral service. Often people choose to make a donation in lieu of flowers.

## Giving in memory at funeral or memorial services

If you are a family member making funeral arrangements and would like to support ECHO at the funeral service, please speak to your funeral director who can help arrange this. There could be a cash collection at the funeral service or often cheques are given directly to the funeral director who will collect them and send them to the ECHO office after the funeral, with a covering letter. Upon receipt a thank you letter will then be sent to the next of kin.

Cheques will need to be made payable to Evelina Children's Heart Organisation Limited.

## Online memory pages

You can set up a 'Someone Special' page with JustGiving dedicated to raising money for charities in support or in-memory of someone close to your heart.

- Support a loved one  
Fundraise for the charity or charities helping a loved one who is ill or going through a challenging time.
- Commemorate a loved one  
Create a page in memory of a relative or friend. Collect donations for charity in place of flowers and allow fundraisers to raise money in remembrance. This also provides people with the opportunity to post messages and share stories, sharing memories of your loved one.

Online Donations are easy to manage and donations raised go directly to ECHO, you do not have to collect or send in.
