

# Fundraise

There are lots of great ways to fundraise from sponsored walks to office raffles, cake sales to once-in-a-lifetime travel challenges. You can even create your very own bespoke fundraiser!

We receive no government or NHS funding and rely entirely on donations to carry out our work. All of the money raised by our committed supporters goes towards ensuring ECHO can deliver our valuable services – and we thank everyone who contributes.

**Help us to support children and young people with heart conditions by raising money for ECHO.**
